<https://necouncil.gov.in/>

Objective: A quiz competition is a special assessment to check the participants' general knowledge about a particular subject or different subjects. Arunachal Battle of Minds focuses on to take tongue-tied and dismal quiz competition in a fun way like of Spell Bee, American Quiz Master, Bournvita Quiz Contest etc.

The purpose of organizing Arunachal Battle of Minds as follows:

- 1) Engage students in a very fun and healthy competition.
- 2) To help the children remain focused and maintain consistency in their overall curriculum activities.
- 3) Paving a way for learning in a fun and an interactive session.
- 4) To boost the engagement of unemployed youths in production during the long course of the program, in which they earn as well as learn. To meet and greet top quiz masters from across India.
- 6) To push the winners to the national level Quiz Competition.

Key highlights:

Arunachal Battle of Minds is a inter district competition. It will be a tag team competition. Participant will consist of 2nos of students from each school. Winners from each district will be representing their district in the Capital of Arunachal Pradesh i.e Itanagar, Papum Pare, Arunachal Pradesh. Each district representative will participate in an interactive quiz competition with several rounds as Spell Bee, Guess The Picture, and Who's Who etc.

To make it more interactive, a proper studio will be set up with LEDs screen, Background Sounds and stage lightening effect, which will be add on for the live telecasting in leading channels of the state

Participants: Students from all the district of Arunachal Pradesh came and competes,

Outcomes: Arunachal Battle of Minds aims to conclude the quiz competition by filling a sense of discipline and a gist for learning on an everyday basis amongst the participants. Arunachal Battle of Minds hope to build curious minds and inculcate the habit of reading culture, the urge of learning new things and provide a sense of fulfillment through this competition.

We pledge to conduct the competition with utmost honesty and transparency. Also, to engage unemployed youths during the program as much as possible providing them a very productive schedule to stay focused in their learning and life.
