

# उत्तर-पूर्वी परिषद समाचार-पत्रिका NEC Newsletter

A quarterly e-newsletter of North Eastern Council, Ministry of Development of Northeastern Region, Government of India

**VOLUME 3, ISSUE 1**

APRIL 2025 – JUNE 2025

## NEC YEARBOOK 2025

NEC Yearbook 2025, a comprehensive compilation that underscores our steadfast commitment to the development of the North Eastern Region (NER) has been published. This is the second edition of the NEC Yearbook which delves into key socio-economic indicators and highlights the transformative initiatives in the region.

The NEC Yearbook provides information about the NE region as well as Ministry of Development of North Eastern Region (MDoNER) and the NEC. It contains important statistics regarding economic and social development parameters of the region. Through this Yearbook, there will be an increased awareness about the progress made in the different sectors in recent past. Further, it will serve as a guide for future endeavours, contributing to informed decision-making and indispensable reference for policy planners, academicians, research scholars and analysis.

NEC Yearbook 2025 can also be accessed in the following link:

<https://necouncil.gov.in/news-updates/nec-yearbook-2025>

## North East Students' Programme for Awareness, Reach, and Knowledge on Space (NE-SPARKS)

This idea was conceptualized by the Hon'ble Home Minister. This pioneering initiative aims to spark curiosity and raise awareness about space science and technology by organizing a visit for 800 bright science students—100 from each of the eight North Eastern states—to Indian Space Research Organization (ISRO), Bengaluru.

Over the coming months, up to November 2025, additional student batches from each state will participate, culminating in a landmark initiative to engage the North East's most promising students in the fields of space science.

This is a collaborative effort between the Ministry of Development of North Eastern Region (MDoNER), the North Eastern Council (NEC), ISRO, North Eastern Space Applications Centre (NESAC), and the respective State Governments of the North Eastern States. The total sanctioned budget is ₹3.83 crore, funded in a 60:40 ratio—₹2.3 crore from NEC and ₹1.53 crore collectively from the State Governments (₹19.18 lakh per state).

Group photo of students with Dr. V. Narayanan, Secretary, Department of Space/Chairman, ISRO, taken during their visit to ISRO, Bengaluru from April 21 to 24, 2025.

A group of another second batch of 100 students from the eight North Eastern States visited the Indian Space Organisation (ISRO) Centre in Bengaluru on 26th and 27th June 2025, as part of the North East Students' Programme for Awareness, Reach, and Knowledge on Space (NE-SPARKS), funded by the North Eastern Council.

A group of 100 students from all eight North Eastern States visited prominent ISRO centres, Bangalore offering them a unique opportunity to witness India's advancements in space technology and research. Over the course of the two-day visit in Bengaluru, the students explored key ISRO facilities. On the first day, they visited the ISRO Telemetry, Tracking and Command

Network (ISTRAC). On the second day, they toured the U R Rao Satellite Centre (URSC), including a comprehensive visit to the ISRO Satellite Integration and Test Establishment (ISITE). The students also watched exclusive footage of the successful Chandrayaan-3 mission and explored a detailed space exhibition featuring satellite systems, scaled satellite models, and informative displays on satellite technologies. This immersive experience significantly broadened their understanding of space science and ignited interest in pursuing careers in astronomy, space research, and related Science, Technology, Engineering, and Mathematics (STEM) fields.

### **Boost to Tourism Development in Nagaland: Inauguration of NEC funded project Establishment of services Block (Enopen Tourist Resort) at Khonoma village, Kohima, Nagaland.**

Giving a significant boost to tourism development in Nagaland, the project "Establishment of Service Block (Enopen Tourist Resort)" at Khonoma village, Kohima was formally inaugurated on May 15, 2025, by Shri Temjen Imna Along, Hon'ble Minister for Tourism & Higher Education, Government of Nagaland. The inauguration ceremony was also graced by Hon'ble Members of the North Eastern Council (NEC), Shri Longki Phangcho and Shri Tenzing Norbu Thongdok.

With the inauguration of this facility, tourist footfall is expected to rise substantially—particularly in Khonoma village and across Nagaland. The project is anticipated to contribute significantly to the state's economy by enhancing the tourism infrastructure and improving visitor experience in this culturally and environmentally significant destination.

## **Projects Completed**

### **Arunachal Pradesh**

#### **Completion of Two NEC-Funded Road Connectivity Projects in Tawang, Arunachal Pradesh – June 2025**

Two road connectivity projects funded by the North Eastern Council (NEC) in Tawang, Arunachal Pradesh—(i) Construction of road from Babrang (Murga) Bridge Point to Rho Village (L-15 km) and (ii) Upgradation of road from NH-13 to Ugyen Tsangpo Helipad—were successfully completed and officially closed in June 2025.

The first project, Construction of the road from Babrang (Murga) Bridge Point to Rho Village (15 km), was sanctioned in March 2019 at a total cost of ₹26.50 crore. Aimed at improving connectivity in remote areas of Tawang, this 15 km all-weather road now links key tourist destinations such as Chumi-Geyser, Gongkhar-La Pass, and Gori-Chen Peak, while also providing access to strategic defense locations near the China border. The project has also fulfilled a longstanding demand of the local tribal communities by facilitating the transport of agricultural, horticultural, and livestock produce to the Jang market, thereby improving livelihoods and boosting the local economy.

Latitude: 27°34'46"  
Longitude: 91°58'42"  
Accuracy: 7874.0ft  
Time: 20-09-2022 12:27  
Note: C/O Road from Murga (Bridge) point to Rho village (15.00 Km)

The second project, Upgradation of the road from NH-13 to Ugyen Tsangpo Helipad, was sanctioned in April 2022 with an approved cost of ₹20.84 crore. Officially completed and closed in June 2025, the upgraded road passes through several important locations, including Bomdir, Manjushree Orphanage, Nehru Gonpa, the Brigade area, and the Craft Centre. It now serves as a vital intra-town link within Tawang, significantly easing traffic congestion and reducing travel time. The road enhances access to critical institutions such as schools, colleges, defense establishments, the Tawang Monastery, and the Ugyen Tsangpo Helipad. This improved connectivity supports both local mobility and strategic movement, benefiting residents, tourists, and dignitaries alike.

These two completed projects mark a significant milestone in strengthening infrastructure, promoting tourism, and enhancing strategic accessibility in the region.

**Completion of NEC-Funded Power Project “System Improvement of 11 KV/LT Lines with Upgradation of Different Capacities of Distribution Transformers including Auto Re-closures on 11 KV Feeders under Tawang Electrical Sub-Division, Tawang, West District, Arunachal Pradesh”.**

This project which was sanctioned in March 2022 at an estimated cost of ₹7.92 crore was successfully completed and officially closed in June 2025. The project was sanctioned with the objective of enhancing voltage regulation, improving the reliability and quality of power supply, and increasing the quantum of electricity available.

It also aimed to reduce Transmission & Distribution (T&D) and Aggregate Technical & Commercial (AT&C) losses. It also aimed to avoid the contraction and snapping of overhead conductors during shivering winter, thereby reducing unwanted power interruptions, and to increase Government Revenue through stable power supply.

Prior to its implementation, residents experienced frequent power interruptions, particularly during peak hours due to high load demands. Following the project's completion, the power supply in Tawang and surrounding areas has become significantly more stable and reliable. The improved power infrastructure has also enabled the growth of small-scale cottage industries in the region, contributing to enhanced livelihoods and overall economic development in Tawang.

## Assam

### Improvement of widening of Road from Chaygaon to Ukium in Assam (L- 22.20 km)

This completed road project will significantly enhance connectivity and infrastructure for 15 villages, directly benefiting a population of 50,000 people. This road will significantly improve the transportation and regional connectivity in Assam.

NEC-funded project titled “Anti-Erosion Measures to Protect Village Uma Nagar Upstream and Its Adjoining Areas from the Erosion of River Gangia, Kokrajhar, Assam” was successfully completed on May-June, 2025.

Sanctioned on March 14, 2018, with an estimated cost of ₹4.05 crore (Rupees Four Crore Five Lakh), the project aimed to protect the village of Uma Nagar from recurrent flash floods and severe riverbank erosion caused by the Gangia River.

The core intervention involved the construction of a 990-meter-long bank revetment to reinforce vulnerable sections of the riverbank.

The revetment has been designed to curb soil erosion, safeguard agricultural land, and protect both public and private assets. Its completion is expected to stabilize the riverbank, preserve existing infrastructure, and mitigate future flood risks.

The project is projected to benefit an area of approximately 1,250 hectares and a population of about 30,000 people. It is also expected to uplift the socio-economic conditions of the local communities, which primarily comprise economically disadvantaged groups including the Bodo, Rajbongshi, and Muslim populations. In addition, the intervention will help preserve local green cover and forested areas by preventing further erosion, with no anticipated adverse environmental impact.

## Manipur

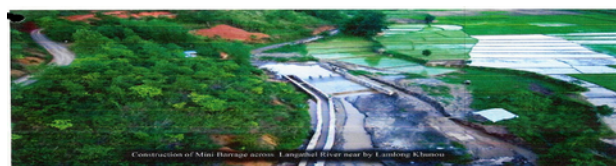

### Completion of NEC-Funded Irrigation Project in Thoubal District, Manipur – June 2025

The NEC-funded irrigation project titled “Construction of Mini Barrage across Langathel River near Lamlong Khunou, Thoubal District, Manipur” has been successfully completed in June 2025.

Sanctioned in April 2017 at an estimated cost of ₹3.85 crore, the project was undertaken with the primary objective of providing a reliable water source for irrigation to the agricultural fields in Langathel, Phundrei, and Walonpokpi villages.

Prior to the project, farmers depended on temporary and makeshift arrangements for water supply, which were often damaged during periods of high-water inflow and required frequent repairs. With the construction of a permanent diversion weir and pucca canal system, these challenges have been effectively resolved. The project now ensures year-round water availability for more than 150 hectares of paddy fields, enabling farmers to engage in Rabi cropping and diversify into crops beyond paddy.

The project has significantly improved the scale and variety of agricultural activities in the region. It has particularly benefited marginalized and economically weaker farming communities by enhancing their agricultural productivity and increasing household incomes. Additionally, the consistent irrigation supply has enabled the utilization of previously fallow land during lean seasons, contributing to improved food security and rural livelihoods.

## Meghalaya

### Providing Sound and Light to Multipurpose Hall at Shillong International Centre for Performing Arts and Culture (SICPAC), Mawkasiang, East Khasi Hills District

A significant cultural infrastructure project in Meghalaya has been successfully completed on 29.04.2025. The project, titled “Providing Sound and Light to Multipurpose Hall at Shillong International Centre for Performing Arts and Culture (SICPAC), Mawkasiang, East Khasi Hills District”, was sanctioned on 22nd February 2021 under the NEC with an approved cost of ₹9.80 crore. The entire amount was fully funded and utilized by the NEC, achieving 100% physical progress.

This initiative enhances the functionality of SICPAC as a premier venue for cultural events, performances, and community gatherings. It supports local artists, boosts tourism, and contributes to Meghalaya’s cultural and economic development by attracting national and international events.

### Improvement including widening of Agia – Medhipara – Phulbari – Tura Road (portion from km 67/600 to km 100/200 = 32.60 km), Meghalaya

This completed road project under the NESIDS (Roads) scheme will significantly enhance connectivity and infrastructure for 10 villages, directly benefiting a population of 6,43,000 people. This road will significantly improve the transportation and regional connectivity in Meghalaya.

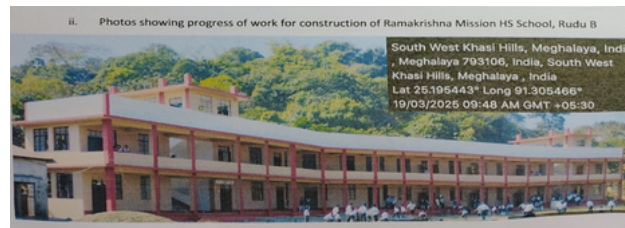

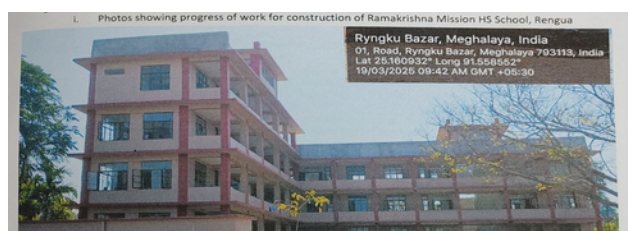

### NEC-Funded Project for Upgrading Selected RK Mission Schools in Meghalaya Successfully Completed on June 24, 2025

The NEC-funded project for upgrading selected Ramakrishna Mission schools located in East Khasi Hills (Mawsynram/Shella-Bholaganj) and South West Khasi Hills (Ranikor), Meghalaya, was successfully completed on June 24, 2025.

Sanctioned on December 22, 2020, at an estimated cost of ₹4.2997 crore, the project aimed to provide accessible, affordable, and quality education to children from families of marginal workers in remote and underserved areas. It focused on strengthening school infrastructure to address the high dropout rates and limited access to non-commercial Higher Secondary education in these rural blocks.

With the completion of this project, total student enrolment is expected to increase by approximately 45.2%, enabling around 523 students from Below Poverty Line (BPL) families to access higher secondary education annually. This initiative marks a significant step toward enhancing literacy and educational opportunities in the region.

### NEC-Funded Project for Construction of Boys' and Girls' Hostel Blocks at Capt. Williamson Sangma Memorial College, Baghmara, Meghalaya Successfully Completed on June 16, 2025

The NEC-funded project for the construction of Boys' and Girls' Hostel Blocks at Capt. Williamson Sangma Memorial College, Baghmara, South Garo Hills, Meghalaya, was successfully completed on June 16, 2025.

Sanctioned in June 2021 at a total cost of ₹1.6666 crore, the project was undertaken with the objective of improving access to higher education for students from remote areas of the district. The newly constructed hostels are intended to accommodate students from Economically Weaker Sections (EWS), thereby removing a key barrier to pursuing higher education.

This initiative reflects NEC's continued commitment to enhancing educational infrastructure and promoting equitable access to quality education, particularly for underserved and vulnerable communities in Meghalaya.

## Nagaland

### Up gradation of AT Road from Tsuranga to Impur Junction (length- 26.335 km) including 3 nos. of Bridges, Nagaland

The road infrastructure project "Up gradation of AT Road from Tsuranga to Impur Junction (length- 26.335 km) including 3 nos. of Bridges" in Nagaland, has been successfully completed. At a total cost of ₹93.98 crore, the project was officially declared completed.

This project will be hugely benefitted around 18 nos. of villages along with 193171 nos. of population.

### Up gradation of Road Chendang Saddle-Noklak (length 12.57 km), (Phase -II), Nagaland

The road infrastructure project "Up gradation of Road Chendang Saddle-Noklak (length 12.57 km), (Phase -II)" in Nagaland, has been successfully completed. At a total cost of ₹45.59 crore, the project was officially declared completed.

This project will be benefitted around 4 nos. of villages along with the population of 59300.

### NEC funded road connectivity project "Construction of road from Naga Lempong-Ahom Cave trekking point, Longleng (L-7.432 Km), Nagaland" successfully completed and officially closed in June 2025.

The road connectivity project construction of road from Naga Lempong-Ahom Cave trekking point, Longleng (L-7.432 Km), Nagaland was sanctioned in August 2019 for a total cost of Rs. 12.99 Crores to improve the connectivity in the mentioned areas. After much efforts, the project has been successfully completed and officially closed in June, 2025. This road project starts from Tuensang Longleng road junction and connects to the renowned tourist destination of Ahom Cave situated in Bhumnyu Village. The Ahom Cave is a historical site linked to the 17th-Century Ahom Raja Gadadhar Singh and holds immense tourism potential. The upgrading of this 7.432 Km road is expected to enhance accessibility, boosting eco-tourism, trade, healthcare, security, and governance. Key benefits include improved connectivity for local inhabitants, growth in tourism and related commercial activities, better access to medical, administrative, and security services, and direct benefits to nearby 6 villages and communities.

**NEC funded power project “Setting up of Noiroi Mini Hydro Electric Project (Stage –I & II) (4x75kW = 300kW) in Paren District, Nagaland” successfully completed and officially closed in June 2025.**

This project was sanctioned by the North Eastern Council in March, 2012 for an estimated cost of Rs. 4.04 crores. The project has been executed successfully and officially closed in June 2025. The primary objective of this project is to increase the power generation unit in Nagaland for a better quality of power supply. Nagaland is noted as an energy-deprived state, heavily relying on imports from the NE Grid to meet its demand. Upon completion, this project ensures energy security and improved quality of power supply to consumers living around the project site. This development is expected to enable the establishment of small cottage industries such as saw mills, rice mills, and drying units. Furthermore, the project has substantially reduced the import of power supply, consequently benefiting the State's revenue.

## Tripura

**Up gradation of road from Hmunpui (NH-44A) to Damcherra (Tripura-Mizoram border) via Monchuang, Tripura**

The road infrastructure project “Up gradation of road from Hmunpui (NH-44A) to Damcherra (Tripura-Mizoram border) via Monchuang” in Tripura, has been successfully completed. At a total cost of ₹84.79 crore, the project was officially declared completed on March, 2025.

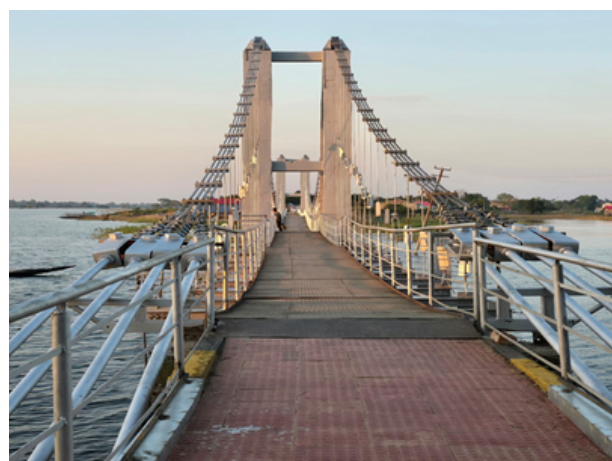

The approved road project will significantly enhance connectivity and infrastructure for 9 villages, directly benefiting a population of 2,68,611 people. The project is expected to reduce travel time, lower transportation costs, and contribute to overall rural development and quality of life for the local residents.

**Improvement of road from Gandacherra – Rashiyabari road at Ch. 18.30 km to Narikel Kunja (L-8.00 km), Tripura**

The road infrastructure project “Improvement of road from Gandacherra – Rashiyabari road at Ch. 18.30 km to Narikel Kunja (L-8.00 km)” in Tripura, has been successfully completed. At a total cost of ₹21.82 crore, the project was officially declared completed.

The approved road project will significantly enhance connectivity and infrastructure for 5 villages, directly benefiting a population of 2300 people. The project is expected to reduce travel time, lower transportation costs, and contribute to overall rural development and quality of life for the local residents.

## North Eastern Region Agri-Commodity e-Connect (NERACE) portal

This was launched on 12 July 2024 by Shri Jyotiraditya M Scindia, Hon'ble Union Minister of DoNER. NERACE is expected to significantly enhance the Agro-horti landscape of our region by leveraging technology to connect producers, buyers, and service providers. It facilitates seamless transactions and fostering mutual growth, empowering our farmers by addressing the most vertical aspect of market linkage and supply chain management. The month of April 2025 witnessed robust Agri-trade activity across the North-Eastern states of India, with a total transaction value of ₹49 Lakhs and cumulative trade volume of 188 MT. This reflects the growing momentum of inter-state agricultural marketing and the strengthening of farmer-to-buyer digital trade linkages in the region.

Key highlights of the April, 2025 sales data include:

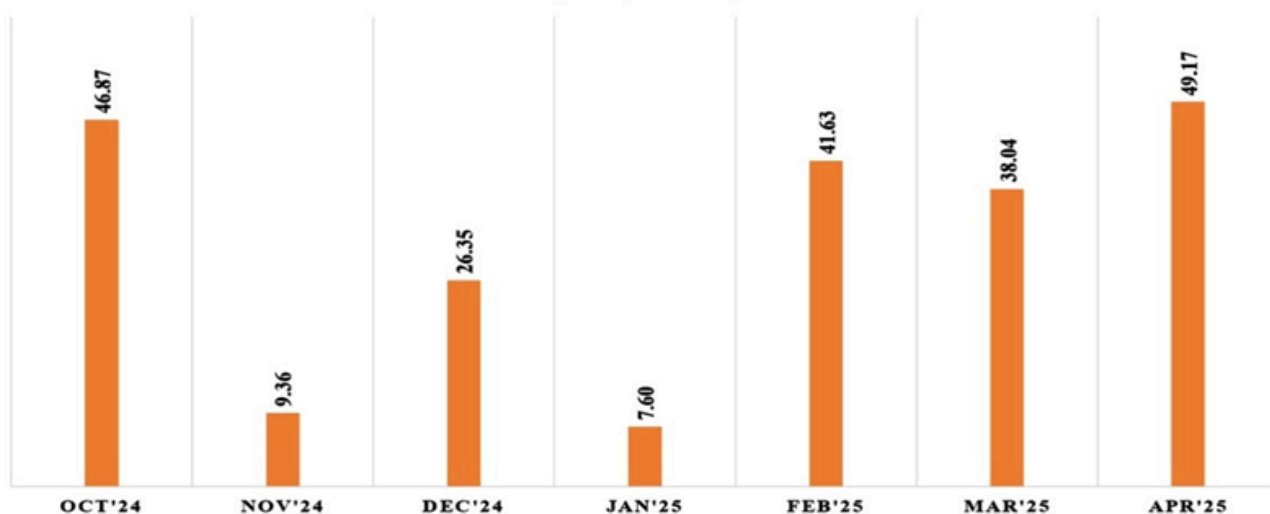

- Ginger remained the most traded commodity, with varieties like Local and Nadia contributing significantly. Over 184.5 MT of ginger were sold, amounting to ₹47.57 lakhs and Sikkim emerged as the major supplier.
- King Chilli, a premium product from Nagaland and Assam, fetched the highest price per kg (up to ₹3,000), with small yet high-value trades totaling ₹53 Thousands.
- Other traded commodities included Turmeric, Maize Paddy, Black Rice, and Birds Eye Chilli, sourced from states like Arunachal Pradesh, Mizoram, Assam, and Manipur.
- Assam emerged as a major buyer state, while Mizoram, Arunachal Pradesh, Meghalaya, Nagaland, and Sikkim served as key seller states.

## The NERACE Month-Wise sales (Rs. in Lakhs) from October, 2024 to April, 2025.

## Fund Release Update for April, May & June 2025

Update on key developmental projects funded across North East India. This special edition highlights the significant financial allocations made in April, May and June 2025 to foster growth, enhance infrastructure, promote cultural heritage, and boost economic opportunities throughout the region.

### NEC Fund Release Report: April-June 2025 (Statewise)

State/ Region	Apr 1, 2025	May 1, 2025	Jun 1, 2025	Total
Arunachal Pradesh	41,525,307	113,760,526	57,015,080	21,200,913
Assam	56,937,138	236,934,766	13,842,073	29,513,977
Assam	56,937,138	236,934,766	13,842,073	29,513,977
Manipur	58,206,988	61,949,507	47,772,000	124,928,495
Meghalaya	159,612,576	49,406,178	91,455,500	21,874,254
Mizoram	169,195,838	18,981,880	86,968,880	196,846,598
Nagaland	38,317,855	91,773,563	79,799,241	138,090,659
Sikkim	922,777	82,648,000	-	83,570,777
Tripura	123,883,161	142,264,365	13,155,000	267,702,526
NEC Regional/Other	106,966,721	128,059,188	165,839,877	400,865,786
<b>TOTAL</b>	<b>755,568,361</b>	<b>925,777,973</b>	<b>555,847,651</b>	<b>1,314,107,962</b>

## Detailed State-wise Fund Release Project

ARUNACHAL PRADESH  
April 2025

Project title	Amount Released (₹)
State Level Workshop on GI products and its Users authorization for farmers	911,995
Proposal of Identified Backward Block for providing key identified Services at Siyum CD	25,800,000
Construction of Hostel Building at Donyi Polo Vidya Niketan, Pasighat	10,088,312
Development of Pasighat-Yingkiong Road View Point of NH-513	4,725,000
<b>Monthly Total</b>	<b>41,525,307</b>

May 2025

Project title	Amount Released (₹)
Technological Intervention using AI and IoT for Smart Agriculture	400,000
Construction of Tourism Complex at Acheso (Dambuen)	12,535,000
Construction of Tourism Complex at Sapparijo (Kicho)	12,419,500
Construction of Boys Hostel at D.K College Tawang	20,480,000
Construction of Boys and Girls Hostel at Roing, Dibang Valley	2,498,776
Proposal of Identified Backward Block at Taliha CD Block	39,700,000
Infrastructure Development for Meyors community of Anjaw District	25,231,000
Development of Radar Absorbent Materials (RAMS)	496,250
<b>Monthly Total</b>	<b>113,760,526</b>

## June 2025

Project title	Amount Released (₹)
Development of Fisheries in 31st Aalo East Assembly	10,000,000
Development of Signature View Point at Ziro	8,300,000
Development of Tissa View Point Camp, Tirap District	8,000,000
Promotion and Literary Development of Mother Languages	6,462,000
Construction of 60 capacities Nursing Hostel at TRIHMS	19,087,542
Construction of Govt. Higher Secondary School Dirang	5,165,538
<b>Monthly Total</b>	<b>57,015,080</b>

ASSAM  
April 2025

Project title	Amount Released (₹)
2nd IEEE CIS Computational Intelligence Summer School	700,000
Social Ecological Environment and Economic Analysis of Sone Beel	2,500,000
Certificate course on Homestay and Wetland Based Rural Tourism	700,000
Advance in Sustainable Solutions for energy transitions	700,000
Golden Jubilee Celebration of NEC	1,000,000
Retention and Rejuvenation of Dighali Pukhuri at Guwahati	12,300,000
Hahim Cluster development project under Boko Block	27,816,299
Construction of Nepali/Gorkha Cultural cum Multipurpose centre	11,220,839
<b>Monthly Total</b>	<b>56,937,138</b>

## May 2025

Project title	Amount Released (₹)
State Level Workshop on GI products	890,968
Construction of Building for Geology dept in Cotton College	2,442,351
Construction of Boys and Girls hostel for Cotton University	5,499,657
Establishment of Milk processing effluent treatment plant	6,272,518
Backward Communities of Singpho Community in Tinsukia	9,794,891
Construction of New Class Room & Laboratories, Dibrugarh University	3,139,864
Construction of New Academic Building, Assam Women's University	14,136,476
Multiple block development projects in Karbi Anglong District	95,753,000
Establishment of Yatri Niwas and Guest House at Silghat	22,375,000
Creation of facilities for tourists at Mahamaya Temple	29,400,000
Integrated development of Agnigarh with Riverfront Park	27,400,000
Construction of School Building at Saraswati Bidya Mandir	8,472,000
Centre of endangered language, Tezpur University	3,608,925
Expansion of Plastic Waste Management Centre	15,329,366
Free Medical Camp	2,000,000
<b>Monthly Total</b>	<b>236,934,766</b>

## June 2025

Project title	Amount Released (₹)
Development of Daranggiri Banana Market	13,842,073
<b>Monthly Total</b>	<b>13,842,073</b>

MANIPUR  
April 2025

Project title	Amount Released (₹)
The 21st Kachai Lemon Festival (State Level)	700,000
Women's Market at Tera Bazar	7,357,000
State Level Workshop on GI products	893,740
Skill cum Rural Entrepreneurship Development Centre	6,985,000
Construction of Multi-Level-Parking Interstate Hub	14,550,000
Multiple block development projects in Churachandpur & Pherzawl	26,921,248
Two Days Regional Level Workshop on Honey Processing	800,000
<b>Monthly Total</b>	<b>58,206,988</b>

## May 2025

Project title	Amount Released (₹)
Construction of Multi-Facility Centre at IGNTU-RCM	8,234,979
Integrated farming system model demonstration	3,750,000
Backward community of Zeme Tousem Sub-Division	6,261,500

Project title	Amount Released (₹)
Construction of Mini Stadium at Luangrang	20,000,000
Livelihood Skill Development Training Kouna Craft	800,000
Provision for furniture and fixture for NIELIT hostel	5,973,750
Multi Utility Building, Residential Hostel for Girls	13,569,278
Tissue Culture Facility for citrus	2,640,000
Training programme on Cane and Bamboo Products	720,000
<b>Monthly Total</b>	<b>61,949,507</b>

## June 2025

Project title	Amount Released (₹)
Tourist circuit development in Senapati District	24,965,000
Development of Integrated Tea Tourism in Tamenglong	5,407,000
Organic Tropical Fruit Tamenglong	11,580,000
Implementation of 3 State Plan of Action (POA) projects	950,000
Construction of Water Supply Scheme for Tumukhong	4,870,000
<b>Monthly Total</b>	<b>47,772,000</b>

**MEGHALAYA**  
**April 2025**

Project title	Amount Released (₹)
2nd International Conference on Recent Innovations	800,000
Text and Textiles: The Weaving Traditions of North East India	800,000
Proposal of Identified Backward Block at Mawshynrut	17,000,000
Multiple implementation projects	14,031,834
She friendly programme - Sanitary Napkin Incinerator	300,000
State Level Workshop on GI products	884,906
Construction of School Building at Garudachal Vidyapeeth	8,500,000
Construction of RCC G+4 Commercial Building	35,687,500
Establishment of Bamboo Tissue Culture Unit	4,423,626
Upscaling cultivation of Lakadong Turmeric	52,338,400
Creation of infrastructure for spawn production	16,891,310
<b>Monthly Total</b>	<b>159,612,576</b>

**May 2025**

Project title	Amount Released (₹)
Integrated farming on Piggery-cum-fish culture	15,258,750
Sustainable livelihood through organic turmeric production	3,397,834
Construction of Boys Hostel and School at Khongong	6,290,000
Multiple NESAC implementation projects	15,406,460

Project title	Amount Released (₹)
Gati Shakti based planning & site selection	1,770,000
Multiple HEP survey projects	8,253,134
7th Act East Business Show	800,000
<b>Monthly Total</b>	<b>49,406,178</b>

**June 2025**

Project title	Amount Released (₹)
Construction of RCC G+4 Commercial Building	32,118,750
Construction of Tourism Infrastructure at Laitlyngkot	10,289,000
Multiple RK Mission Schools upgrade projects	45,257,000
Construction of Cultural Infrastructure of 6 Sein Raj	3,790,750
<b>Monthly Total</b>	<b>91,455,500</b>

**MIZORAM  
April 2025**

Project title	Amount Released (₹)
Tour de Hmuifang 2024	1,000,000
Champhai Hnahsin Kut (COSMOS FESTIVAL)	1,000,000
Large Scale mapping of Wet Rice Cultivation	6,365,580
Construction of Lunglei Market and Trade Centre	47,993,000
Our Heritage Our Treasure at Vangchhia Tourist spot	5,000,000
Film Fest 2024	1,000,000

Project title	Amount Released (₹)
Workshop on Community Based Tourism	200,000

## REGIONAL DOCUMENTATION AND INFORMATION CENTRE NEC LIBRARY

### HALF-YEARLY (JANUARY - JUNE, 2025) ACHIEVEMENT REPORTS OF REGIONAL DOCUMENTATION AND INFORMATION CENTRE NEC LIBRARY, NONGRIM HILLS, SHILLONG.

Shillong the 4th July, 2025 RDIC-NEC Library is proud to announce a 20% increase in the number of visitors to its library over the past half year (January to June, 2025) compared to the previous half yearly figure. The number of visitors rose from 6718 in July-December, 2024 to 8400 in January - June, 2025.

The surge in number of engagements is a testament to our dedicated staff and our focus on creating a welcoming and stimulating environment for young people. We have seen increased attendance of Competitive Exam Aspirants indicating the need for collection of more resourceful and updated books in this field.

The library is under process for digitization of the rare documents, reports, journals etc. with the help of new technologies and expand its collection through Empanelment of Notable Publishers to augment the demand of young adults, specifically catering to the interests of Aspirants of Competitive Exams.

Additionally, as ongoing efforts to promote knowledge sharing and collaboration, the RDIC-NEC Library has actively engaged in an Information Exchange Programme.

Through this initiative, the library has welcomed delegates from various universities and institutions, both from within the region and beyond. The programme aims to foster mutual learning by facilitating the exchange of information about library resources, available documents, and best practices in library management.

It also seeks to promote the development of reading habits and a deeper appreciation for the culture of reading among participants. To date, the RDIC-NEC Library has successfully conducted two such exchange programmes.

The first was held with the Department of Library and Information Science, University of Science & Technology Meghalaya

(USTM), and the second with Mairang Presbyterian Higher Secondary School, Mairang, Meghalaya. These engagements have significantly contributed to strengthening academic and institutional linkages across the region.

RDIC-NEC Library was set up in 1974. It has a collection of 66,000 Books and 30 (International and National) Journals, 10 Magazines, 14 Daily Newspapers, 1200+ Reports/Proceedings, Documents, etc., and has been offering a wide range of resources and services to NEC employees, students, researchers, competitive exam aspirants, etc. The library provides open access to its resources such as books, journals, newspapers/ magazines, online databases etc., with internet facility and a quiet and serene ambience for readers.
