PRESS NOTE FOR MIZORAM FOR SEPTEMBER - 2025

*** Completed Project(s) during September, 2025:**

1. The project titled “*Chapchar-Kut cum G-20 Summit 2023 in Mizoram*” was successfully completed with the financial support of the North Eastern Council (NEC). The project was completed on the date of September 10, 2025. The total expenditure incurred amounted to ₹ 1.25 crore.

The primary objective of this initiative was to project the **Chapchar-Kut festival** onto an international platform. In doing so, the project sought to rediscover the cultural heritage of Mizoram, encourage and nurture traditional practices of Mizo life, and create awareness among the younger generation about the significance of safeguarding heritage. By blending cultural celebration with the global context of the G-20 Summit, the project successfully positioned Mizoram’s traditions before a wider audience.

The outcomes of the project were manifold. It significantly enhanced cultural pride among the people of Mizoram and instilled a renewed sense of unity. The event also generated momentum for tourism development, attracting national and international attention. Local artisans, performers, and cultural practitioners benefitted greatly from the platform provided, as it enabled them to showcase their craft and gain recognition. Importantly, the festival also created space for dialogue between the past and the present, allowing younger generations to connect with their heritage in meaningful ways.

The financial support of the **NEC** was instrumental in realizing these achievements. By enabling the successful organization of the event, the Council played a key role in preserving intangible cultural heritage while simultaneously fostering growth in local economies. The Chapchar-Kut cum G-20 Summit 2023 in Mizoram thus stands as a notable example of how cultural promotion, heritage preservation, and tourism development can be effectively integrated with broader developmental goals.

In conclusion, the project has left a lasting impact by elevating the visibility of Mizoram's cultural identity on the global stage. The NEC's support ensured that the festival not only preserved the traditions of the past but also contributed to economic sustainability and youth engagement, thereby reinforcing the significance of cultural heritage in the state's development journey.

2. In addition, two substantial infrastructure proposals for identified blocks in Lawngtlai district, Mizoram—Chawngte Block and Bungtlang South Block—were completed on 10th September 2025. These projects shared the primary objective of enhancing overall development, improving health and educational infrastructure, and imparting essential skills and technical know-how for employment generation. The combined approved funding for these two initiatives is ₹ 938.00 lakh.

The first completed project was the Proposal of identified block for providing key identified service at Chawngte Block, Lawngtlai district, Mizoram, which had an approved amount of ₹ 455.00 lakh. The main goal was to improve the socio-economic condition of the people by enhancing overall income and improving health and educational infrastructure. The resulting infrastructure, specifically the construction of schools and Anganwadicentres, led to increased access to education and enhanced healthcare. This project successfully transformed rural communities and benefited over a thousand beneficiaries, including children, women, and families.

The second completed project, the Proposal of identified block for providing key identified service at Bungtlang South Block, Lawngtlai district, Mizoram, was approved for ₹ 483.00 lakh. This initiative also focused on improving socio-economic conditions by enhancing overall income and educational services. This proposal successfully constructed school buildings, Anganwadicentres, and harvesting tanks. These infrastructure projects significantly enhanced access to quality education, healthcare, and reliable clean water, ultimately transforming the lives of rural communities and promoting sustainable livelihoods.

- **Foundation Stone Laying for Road Projects in Mizoram**

Two major road infrastructure projects were launched in Mizoram under the North East Special Infrastructure Development Scheme (NESIDS – Roads), marking a significant step towards improving rural connectivity in the state. Both projects had their foundation stones laid on 13th September 2025.

The first project involves the construction of Khankawn to Rongura Hmun road in Serchhip District, covering a length of 11.60 kilometres with an approved cost of ₹ 31.98 crore. This project is expected to directly benefit four villages, improving access and mobility for approximately 8,500 residents.

The second project, titled Construction of Renzawl–Sialsuk via Sathlur and Laumual, will extend over 10.74 kilometres at an estimated cost of ₹ 45.03 crore. This initiative will enhance connectivity for three villages, benefitting around 10,000 people.

Both road projects are expected to boost local trade, provide all-weather road access, and facilitate socio-economic development in the rural regions of Mizoram.

- **Fund Releases for Mizoram during September 2025**

During September 2025, the North Eastern Council (NEC) released a total of ₹ 6.76 crore (₹ 6,76,23,291) towards the implementation of various developmental projects across Mizoram.

The key projects supported during this month include:

- Integrated Piggery Farming at Lengpui – ₹ 1,24,21,000
- Establishing Mizo Cultural Heritage Centre at Khawlri, Serchhip District for the protection and promotion of Mizoram's historical and natural heritage– ₹ 1,21,61,000
- Construction of Lunglei Market and Trade Centre at Electric/Chandmari Veng, Lunglei – ₹ 3,60,85,041
- Construction of Market Building at West Phaileng, Mamit District – ₹ 69,56,250

These projects aim to strengthen livelihood opportunities, promote cultural preservation, and improve market infrastructure in various districts of Mizoram.

- **Cumulative Fund Released for Mizoram during FY 2025-26 (April-September)**

PRESS NOTE FOR NAGALAND FOR SEPTEMBER, 2025

- **Completed Project(s) During September, 2025:**

Rutsa Multipurpose Irrigation Project Completed in Kohima District, Nagaland

The *Rutsa Multipurpose Irrigation Project* in Kohima District, Nagaland, has been successfully completed, marking a significant step towards enhancing agricultural productivity and improving the livelihood of local farming communities. The project was sanctioned with an original approved amount of ₹ 700.00 lakhs on 23rd March, 2016, later revised to ₹ 694.85 lakhs on 16th September, 2020.

3) Construction of Main gate

1) Resting Shed and over head water tank.

1) Multipurpose building

2) Construction of Railing Fence

The project aims to ensure a regulated and timely supply of water to the fields of small and marginal farmers, thereby enabling the cultivation of multiple high-yielding crop varieties through modern agricultural practices. It is designed to generate self-employment opportunities for both skilled and unskilled workers while also providing drinking water to nearby villages.

With the development of an assured irrigation facility, the project is expected to significantly increase agricultural production and productivity, contributing to the overall socio-economic improvement of the beneficiary communities. The availability of a permanent water source will enhance crop returns, encourage vegetative growth, and help reduce the practice of shifting (Jhum) cultivation in the catchment areas.

Additionally, the project will help minimize riverbank erosion, reduce flooding, and promote eco-tourism in the region.

The Rutsa Multipurpose Irrigation Project will directly benefit around 320 households from T-Khel and Jotsoma villages. Covering a Gross Command Area of 350 hectares with a Culturable Command Area of 230 hectares, the project includes a 1.65 km main channel providing irrigation to approximately 130 hectares of farmland.

The successful completion of this project represents a crucial step in strengthening agricultural infrastructure and promoting sustainable rural development in Nagaland.

- **FUND RELEASES FOR NAGALAND DURING SEPTEMBER- 2025**

During September 2025, the North Eastern Council (NEC) released a total of ₹ 2.53 crore (₹ 2,53,63,000) towards the implementation of various developmental projects across Nagaland. The key projects supported during this month include:

- Integrated Processing Unit & Pack House for Pineapple at State Horticulture Nursery – ₹ 50,00,000
- Setting up of Cold storages – ₹ 2,03,63,000

These projects aim to strengthen livelihood opportunities, promote cultural preservation, and improve market infrastructure in various districts of Nagaland.

- **Cumulative Fund Released for Nagaland During FY 2025-26 (April-September)**
