Brief Write-up like aims and objectives and of Socio-Economic benefits:

Made paper is very high in world market because of its eco-friendly nature. In order to meet up the demand of handmade paper this unit has been set up to facilitate entire State of Sikkim. It is made entirely from recycling waste materials and its uses helps in saving trees and this contributes to healthier environment. The main objective of establishment of Hand Made Paper Unit at Melli, Namchi District of Sikkim is to convert used waste paper into new products, to prevent waste of potentially useful materials/ reduce consumption of fresh raw materials,/ reduce energy usage, / reduce air pollution and water pollution by reducing the need for conventional waste disposal as compared to virgin production and so on. Recycling is a key component of modern waste management, / to generate local employment and boost the local economy.

(B) Project Name: C /o of Khadi Plaza/ Market complex of Meghalaya Khadi & Village Industries Board at Barik Point

- ✓ AFS- ₹ 2,73,76,685/- (Rupees two crore seventy three lakh seventy six thousand six hundred and eighty five) only.
- ✓ Date of Sanction of the: 31-03-2021
- ✓ Year of Sanction (FY)- 2020-21
- ✓ Implementing Agency- Meghalaya Industrial Development Corporation Ltd.
- ✓ QPR-100%
- ✓ Year of completion: FY 2025-26
- ✓ **Status: Formally Completed & Closed**

The primary objective of the proposed Khadi Plaza/Market Complex at Barik Point, Shillong, East Khasi Hills District, Meghalaya, is to create a modern, functional, and aesthetically pleasing commercial space that will serve as a hub for promoting and marketing Khadi and Village Industries (KVI) products. This project, initiated by the Meghalaya Industrial Development Corporation Ltd. Under the aegis of the North Eastern Council (NEC) and the Ministry of Development for the North Eastern Region, aims to revitalize the Gram Shilpa an existing but outdated sales outlet, into a vibrant and efficient marketplace.

Benefit derived from the Project: The proposed Khadi Plaza/Market Complex at Barik Point, Shillong, East Khasi Hills District, Meghalaya, offers several benefits that span economic, social and cultural dimensions. These benefits include:

1. Employment: Economic Development and Employment Generation: Opportunities: The construction and subsequent operation of the Khadi Plaza will create numerous direct and indirect jobs. These opportunities span from construction workers during the building phase to salespersons, managers, and maintenance staff once the complex is operational.
2. Boost to Local Artisans: by providing a dedicated space for local artisans to display and sell their products, the Khadi Plaza will enhance their market reach. This, in turn will lead to increased sales and higher incomes for artisans involved in producing handicrafts, textiles, leather goods, cosmetics and food products
